NOTE FOR HAAS FILE

20 October 1952

TO : WE/FI/Italy

FROM : EE/FI/A

SUBJECT: Detachment 35 Project "LOS ANGELES"

1. We are listing for your information a run-down of sources and subsources used by Detachment 35 in the now defunct "LOS ANGELES" Project.
2. The names were taken from a Detachment 35 document, IOR 2000, dated 12 February 1951, which was only recently received here.
3. With the exception of Col. PERINETTI, who, as far as we can determine, has never before been mentioned in Detachment 35 correspondence, all were previously listed on our master list of Detachment sources. This is the first time, however, that most of them have been identified with the "LOS ANGELES" Project. We felt that you would be interested in learning the identities of those involved.
4. As you know, Karl HAAS is now employed by the Detachment in another capacity. We are not certain of the status of the others mentioned.
5. The list is as follows:
